## ~ REFLECTION ~

Jesus teaches his disciples the Golden Rule in the passage we hear today: "Do to others as you would have them do to you." But he goes on to require more: "Love your enemies and do good to them . . . expecting nothing back." Today let us listen for what God is calling us to do for the people in our lives, both those who treat us kindly in return and those who do not.

## ~ REFLEXION ~

Jesús le enseña a sus discípulos la regla de oro en el pasaje que escuchamos hoy: "Traten a los demás como quieran que los traten a ustedes". Pero él va más allá: "Amen a sus enemigos, hagan el bien a los que los aborrecen . . . sin esperar recompensa". Ponemos hoy atención para ver que desea Dios que yo haga por las personas que son parte de mi vida, tanto aquellas que me recompensan con su amabilidad como las que no.

### ***Did You Know?***

Part of the "Protecting God's Children" training program is designed to control who has access to children and ensure that those who do undergo rigorous screening measures. It's important for all adults to understand what this means and how this process works. Adults who are being screened have not been identified as potential predators. Rather, all employees and volunteers are screened carefully because such screenings

constitute an important preventive protective step in establishing a safe environment in the parish. Screening gives confidence to parents, children, and those working with them that all are committed to the protection of children and youth in our Church.

***Sabia Usted?*** Parte del programa de capacitación "Protegiendo a los niños de Dios" está diseñado para controlar quién tiene acceso a los niños y para garantizar que aquellos que lo hacen se sometan a rigurosas medidas de antecedentes. Es importante que todos los adultos comprendan qué significa esto y cómo funciona este proceso. Los adultos que están siendo evaluados no han sido identificados como depredadores potenciales. Al contrario, todos los empleados y voluntarios son examinados cuidadosamente porque estos exámenes constituyen un importante paso de protección preventiva para establecer un ambiente seguro en la parroquia. Estas evaluaciones dan confianza a los padres, a los niños, y a quienes trabajan con ellos, de que todos están comprometidos con la protección de los niños y jóvenes en nuestra Iglesia.
