OUR MISSION: We the faith community of St. Brigid Catholic Church declare our mission is to know and imitate Jesus. We proclaim the reign of God in this community by preaching, teaching the good news and celebrating our Roman Catholic worship. We witness the faith by demonstrating service and compassion for those in need. As Community we welcome, honor and respect all people with the special emphasis on the culture and heritage of the African American and Hispanic Catholics.

~ **REFLECTION** ~

In Luke's account of the Transfiguration, which we hear in today's Gospel, a voice from the heavens calls out, "This is my chosen Son; listen to him." At that, Peter, John, and James fall silent, enabling them to listen to the Lord. Let us take this opportunity during our Lenten journey to listen to Jesus and reflect on what he is saying to us.

~ **REFLEXION** ~

En el relato de Lucas de la Transfiguración que escuchamos en el Evangelio de hoy, salió una voz de la nube que decía: "Este es mi Hijo, mi escogido, escúchenlo". Pedro, Juan y Santiago guardaron silencio, lo cual les permitió escuchar al Señor. Aprovechemos la oportunidad que nos brinda nuestra jornada cuaresmal para escuchar a Jesús y reflexionar sobre lo que él nos dice

Did You Know?

"The Protecting God's Children program is in place to raise awareness about behaviors of adults that may indicate a threat to the safety of children and young people. Through this program, trained adults learn how to prevent abuse from happening, in part by taking steps to eliminate sus-

picious behaviors, such as being alone with a young person. Creating a culture of openness and transparency goes a long way towards alleviating concerns of inappropriate behavior by adults, and helps children feel safe in their environment

Sabia Usted? El programa Protegiendo a los niños de Dios está diseñado para crear conciencia sobre los comportamientos de los adultos que puedan indicar una amenaza para la seguridad de los niños y los jóvenes. A través de este programa, los adultos capacitados aprenden cómo evitar que ocurra el abuso, implementando medidas de prevención como evitar que un adulto y un joven pasen tiempo a solas. La creación de una cultura de apertura y transparencia contribuye en gran medida a aliviar las preocupaciones sobre el comportamiento inapropiado de los adultos y ayuda a los niños a sentirse seguros en su entorno.
