~ REFLECTION ~

In the Gospel today Jesus compares himself to a shepherd protecting his sheep, promising his disciples that he will hold them securely in his hands. How appropriate that this wonderful image is presented on Mother's Day. Today we honor all types of mothers who have loved us, protected us, and held us, those who have treated us with the tender loving care of the Good Shepherd. Let us give thanks today for all our mothers, living and deceased.

~ REFLEXION ~

En el Evangelio de hoy Jesús se compara a sí mismo con un pastor que protege a sus ovejas y le promete a sus discípulos que las mantendrá seguras en sus manos. Cuán apropiado es que esta hermosa imagen se nos presente en el Día de las Madres. Hoy honramos a todas las madres que nos han amado, protegido y abrigado en sus brazos; en otras palabras, aquellas que nos han tratado con el mismo amor tierno del Buen Pastor. Demos hoy gracias por nuestras madres, ya estén todavía entre nosotros o disfrutando ya de la paz eterna.

Did You Know?

"If you see something, say something"

We see this warning in airports and schools, but experts say it's also a great way for parents to think about Internet safety for their children. One of the best ways to protect children using the Internet is to actually engage with

them in what they're doing: Play the games they plan, check out their profile pages with them. Discuss online respect and rules for what can and cannot be shared. Regular conversation and monitoring helps keep children safe online.

Sabia Usted? "Si ves algo, di algo" Vemos esta advertencia en aeropuertos y escuelas, pero los expertos dicen que también es una excelente manera para que los padres de familia piensen en la seguridad de Internet para sus hijos. Una de las mejores formas de proteger a los niños que usan Internet es participar realmente en lo que están haciendo: jugar los juegos que planean, revisar junto con ellos sus páginas de perfil. Discuta sobre el respeto en línea y las reglas para lo que puede y no puede ser compartido. La conversación y el monitoreo regulares ayudan a mantener a los niños seguros en línea.
