~ REFLECTION ~

Easter Sunday was two weeks ago now, but Easter Time extends for fifty days, giving us a lengthy period to fully celebrate all the ways in which God brings new life into the world. As trees bud and flowers bloom, as days grow long and the weather warms, we glory in the new life emerging around us. As is written in the opening antiphon, "Cry out with joy to God, all the earth." Alleluia!

~ REFLEXION ~

El Domingo de Pascua ya fue hace dos semanas, pero el tiempo pascual se prolonga por cincuenta días, lo cual nos ofrece un periodo extendido para poder celebrar a cabalidad durante esta cincuentena pascual todas las maneras en que Dios le trae una vida nueva al mundo. Así como germinan los árboles y brotan las flores, así como los días se alargan y el tiempo se vuelve cálido, así nosotros nos regocijamos en la gloria de la vida nueva que surge a nuestro alrededor. Tal que dice la antifona de entrada: "Aclama a Dios, tierra entera".

Did You Know?

Since 2002, the Archdiocese of Los Angeles has trained about 330,000 adults to proactively protect children and young people from child sexual abuse and reporting misconduct. In addition, over 165,000 children and young people receive safe environment training annually. In 2018, the Office of Safeguard the Children launched its new

"Empowering God's Children & Young People" Program, which empowers children and young people by giving them the knowledge and tools to keep themselves safe and teaches them to tell a parent, guardian or safe adult if anyone makes them feel uncomfortable, scared or confuse.

Sabia Usted? Desde el 2002, la Arquidiócesis de Los Ángeles ha capacitado cerca de 330,000 adultos para proteger proactivamente a los niños y jóvenes del abuso sexual infantil y para denunciar toda conducta indebida. Además, más de 165,000 niños y jóvenes reciben capacitación sobre un ambiente seguro cada año. En el 2018, la Oficina Protegiendo a los Niños lanzó su nuevo programa "Dar poder a los niños y jóvenes de Dios", el cual otorga poder a los niños y jóvenes por medio de los conocimientos y las herramientas para que se mantengan seguros, y les enseña cómo conversar sobre el tema con sus padres, cuidador o adulto confiable si alguien los hace sentir incómodos, asustados o confundidos
