~ REFLECTION ~

Today we hear our forebears in faith invite others to share a meal and fellowship with them. Abraham and Sarah welcome three strangers and insist they rest and eat. Martha and Mary welcome Jesus into their home, where Martha takes care of all the serving while Mary visits with him. Here today we too are invited to listen to God's word and share a meal. Let us give thanks to God for this wonderful hospitality

~ REFLEXION ~

Hoy escuchamos a nuestros antepasados en la fe invitar a otras personas a compartir una comida con ellos en un ambiente de camaradería. Abraham y Sara recibieron a tres extraños y les insistieron para que descansaran y comieran. Marta y María recibieron a Jesús en su casa donde Marta se encarga de servir mientras que María permanece junto a él. También nosotros aquí hoy estamos invitados a escuchar la palabra de Dios y a compartir una comida. Demos gracias a Dios por esta maravillosa hospitalidad.

DID YOU KNOW? Knowing the difference between healthy and unhealthy relationships can help prevent human trafficking. Healthy relationships are based on respect, honesty, and trust. In these relationships, partners communicate and help hold healthy, safe boundaries. In unhealthy relationships, one partner holds power, forcing another to sacrifice friendships, family, and even emotional well-being. These relationships are often abusive. Talk with young adults and teenagers about these differences, how to build healthy relationships, and recognize the signs of unhealthy ones. For more information, read "Healthy vs. Unhealthy Relationships" at <https://www.missingkids.org/content/ncmec/en/blog/2022/healthy-vs-unhealthy-relationships.html>.

SABIA USTED QUE? Conocer la diferencia entre relaciones saludables y no saludables puede ayudar a prevenir la trata de personas. Las relaciones saludables se basan en el respeto, la honestidad y la confianza. En estas relaciones, las personas se comunican y ayudan a mantener límites saludables y seguros. En las relaciones poco saludables, uno de los miembros de la pareja tiene el poder, lo que obliga al otro a sacrificar amistades, familiares e incluso el bienestar emocional. Estas relaciones suelen ser abusivas. Converse con jóvenes adultos y con adolescentes acerca de estas diferencias, cómo construir relaciones saludables y reconocer las señales de relaciones no saludables.
